

# APOSTLES' CREED I

## GOD THE FATHER

### RELAX

What do you like to do to refresh yourself on a hot summer day?

### READ AND REFLECT

Reread Exodus 17:1-7, then answer the following questions.

- Where were the people camped?
- What complaint did the people make to Moses?
- How did God provide for His people?
- What are some things you complain about at home? School?
- The people arrived here approximately six weeks after being rescued from Pharaoh's army at the Red Sea, yet they still find something to complain about. Have you ever complained about receiving something good, but not good enough? What was it?
- God promises to provide for us. He promises to only provide what's best for us. How do you think He feels about it when we complain?
- What is the difference between praying to God for something and complaining to God about something?

### RESPOND

Choose one of the following resolutions to keep until the next class:

- Stop complaining about things!
- Give thanks for the good things that God has given you. Make a list of five things you are thankful for, then say a quick prayer to God about those things.
