

Homework: Honor Your Father and Mother

Complete this sheet and bring it with you to class on October 24.

Read Matthew 21, then answer the following questions about verses 28-32.

Describe the difference between the two sons in Jesus' parable in your own words.

Which of these sons do you most often feel or act like?

What sort of consequences come from acting like the second son? What blessings are connected to the behavior of the first son?

One of the things that Jesus highlights between the two sons is the difference between words and deeds. Which is more important? Why? How are you doing at making both word and deed a high priority in your home?

Who is Jesus addressing in this parable? (Hint: The answer can be found in the verses prior to this section.) How did this group receive this teaching?

What can you do to act more like the first son in your family this week?

For in Scripture it says: "See, I lay a stone in Zion, a chosen and precious cornerstone, and the one who trusts in him will never be put to shame." (1 Peter 2:6)
